

FIELD MANUFACTURING**Review of *Dairy Manufacturing* qualification****National Certificate in Dairy Manufacturing (Storage and Supply Chain) (Level 3) with an optional strand in Product Safety [Ref: 0747]**

The New Zealand Industry Training Organisation has completed the review of the qualification listed above that was registered in January 2004.

Date new versions published**June 2005**

The review of this qualification was prompted by feedback from both providers and workplace assessors. The current version of the qualification does not reflect the changing supply chain operations in the dairy sector. All the dairy companies in the sector were consulted during the review and agreed with the changes. These companies included Fonterra, Dairy Foods, Tatua, Westland, and the dairy industry unions.
