FIELD AGRICULTURE, FORESTRY AND FISHERIES

Revision of *Water Reticulation* qualification

National Certificate Water Reticulation (Service Person) (Level 3) with strands in Water, and Wastewater [Ref: 0962]

The Agriculture Industry Training Organisation has revised the qualification listed above that was registered in August 2002.

Date new version published	**June 2005**
The review of this qualification is planned to take place in	**December 2008 (unchanged)**

Reason for the revision

The qualification has been revised and reissued as version 4 because unit standards in the qualification were changed as a result of review.

Main changes resulting from the revision

- Titles for standards 5627, 19203, 19210, 19211, and 19215 have changed.
- Credits for standards 19211 and 19215 have increased from four to six, and for standard 5627 from three to four.
- The total qualification credits have increased by three.

Transition

There are no transition implications resulting from these changes.
