

**FIELD                    AGRICULTURE, FORESTRY AND FISHERIES**

**Revision of *Pest Management* qualification**

**National Certificate in Pest Management with strands in Avian Pest Control, Mustelid Pest Control, Possum Pest Control, Rabbit Pest Control, and Rodent Pest Control [Ref: 1138]**

The Agriculture Industry Training Organisation has revised the qualification above that was registered in January 2005.

**Date new version published**

**June 2005**

**The review of this qualification is planned to take place in 2009 (unchanged)**

**Reason for the revision**

It was noted that the qualification totals for each strand as shown in the Credit Range tables were incorrect.

**Main changes resulting from the revision**

The qualification totals within the Credit Range tables were corrected. The opportunity was taken to update the Outdoor First Aid unit standard following its review in April 2005.

Changes to structure and content

- title and credit of unit standard 424 were updated.

**Transition**

There are no transition implications as a result of this revision.
