Rollover of *Floriculture* unit standards

Subfield	Domain	Id
Horticulture	Floriculture	1783, 1789, 1792, 1795, 1804, 1807

The New Zealand Horticulture Industry Training Organisation has decided that the unit standards listed above, which were registered in November 1997, should have their period of registration extended.

The reason for the rollover is to maintain the currency of the unit standards until they have been reviewed.

The review of these unit standards is planned to take place during 2006.
