FIELD MANUFACTURING

Revision of *Printing* qualification

National Certificate in Printing (Printing – Reel-fed) (Level 4) with strands in Offset, Letterpress, Flexographic, and Gravure [Ref: 0664]

The Printing & Allied Industries Training Council has revised the qualification listed above.

Date new versions published August 2006

The next qualification review is planned to take place during 2009.

Reason for the revision

This change has been made to ensure that all those currently training towards version 2 of this qualification will have sufficient time to complete that version.

Main changes resulting from the revision

- The last date for completing requirements of version 2 was changed from December 2005 to December 2007.
- The qualification document was updated in accordance with the style and format requirements for registration.
