InfraTrain New Zealand Limited has rolled over the unit standards listed above to maintain their currency until they are reviewed. Unit standards indicated in **bold** above have also been revised.

Date new versions published **December 2006**

Planned review date **December 2008**

Reason for the revision

To ensure legislation and other references are current and cited correctly.

Main changes resulting from the revision

- Legislation and other references in special notes have been updated and/or corrected.
- Performance criteria have been updated and/or corrected, where required.
- Minor format changes have been made to ensure consistency across the domains.

Please note: Unit 11432, *Manage landfill operation* now falls within the Gazetted coverage of the NZ Extractive Industries Training Organisation. Standard setting responsibility will be transferred to EXITO and they will undertake a review through their Resource Recovery Sector Advisory Group in 2007.
