Note: Unit standards in **bold** are also being rolled over.

The New Zealand Horticulture Industry Training Organisation has revised the unit standards listed above, which were registered between March 1995 and July 2005. The standards in **bold** have also had their period of registration extended.

The reason for the rollover is to maintain the currency of the unit standards until they have been reviewed.

The review of these unit standards is planned to take place during 2006/2007.

**Date new versions published** **February 2006**

**New comments by date** **June 2008**

**Expiry date of new versions of the unit standards** **December 2008**

#### **Reason for the revision**

The standards have all been published as new versions to display the new accreditation options that appear on the ITO's reviewed AMAP [Ref: 0032 version 3].

This revision affects 219 of the Horticulture ITO's 339 registered standards. The remaining standards, in the Landscape, Plant and Garden Retail, and Production Horticulture domains are currently under review and will display the new accreditation options when they are re-registered.

All the standards have been published as new versions to match the new accreditation options that appear on the reviewed AMAP.

#### **Former accreditation options**

Levels 1 and 2 Evaluation of documentation by NZQA.

Levels 3-7 Evaluation of documentation and visit by NZQA and industry.

#### **New accreditation options**

Level 1 Evaluation of documentation by NZQA and industry.

Level 2 Evaluation of documentation and visit by NZQA and industry.

Levels 3-7 Evaluation of documentation and visit by NZQA, industry and teaching professional in the same field from another provider.
