Manufacturing Skills	Competitive Manufacturing	21501-21539

Forest Industries Training and Education Council (FITEC), on behalf of the Competitive Manufacturing Consortium in New Zealand, has revised the above standards.

**Date new versions published**

**June 2006**

**Planned review date**

**September 2007**

**Reason for the revision**

Special note 1 in each standard has been amended in order to provide an updated link to the Australian unit of competency. A link to the complete MCM04 Competitive Manufacturing Training Package on the National Training Information Service (NTIS) website has also been included in special note 1.
