

**FIELD                    ENGINEERING AND TECHNOLOGY****Review of *Locksmithing* qualification****National Certificate in Locksmithing (Level 4) [Ref: 0452]**

Competenz has completed the review of version 2 of the above qualification.

**Date new version published****October 2006**

The next qualification review is planned to take place during 2011.

**Summary of review and consultation process**

The review of version 2 of the National Certificate in Locksmithing (Level 4) [Ref: 0452] was undertaken by Competenz, with the Locksmith Sector Advisory Group and other key stakeholders within the Locksmith industry. The main reason for the review was to incorporate reviewed unit standards and to keep in line with the latest developments in the industry.

**Main changes resulting from the review**

- Titles, levels, and credits of unit standards have been updated where necessary.
- Three new unit standards have been added to the qualification.
- Unit standard 12918 has been replaced by two new unit standards 22453 and 22455.
- Elective B has been removed.
- The credit total for this qualification has increased from 223 to 230 credits.
- The level has been taken out of the title.

**National Certificate in Locksmithing (Level 4) [Ref: 0452]****National Certificate in Locksmithing [Ref: 0452]****Changes to structure and content**

The start date for entry to training programmes or courses leading to the award of version 3 is November 2006.

### Transition

People currently working towards version 1 or version 2 of this qualification may either complete the requirements for those versions or transfer their results to this version 3. The last date for people to complete version 1 or version 2 is 31 December 2010.

This qualification contains standards that replace earlier standards. For the purpose of this qualification people who have gained credit for the replaced standards are exempt from the requirement to gain credit for the replacement standards.

Credit for	Exempt from
58	57
2629	27900 and 22800
2824	21911 and 21912
2670	21907
4795	20917
5936	15849
12918	22453 and 22455
12998 and 13037	22451

Competenz has endeavoured to ensure that no person has been disadvantaged by the review of this qualification. Anyone who thinks that they have been disadvantaged should, in the first instance, contact the ITO at the address below.

These transition arrangements will be published in Competenz newsletters to trainees/apprentices and employers and on the Competenz website.
