

**FIELD                      LAW AND SECURITY****Review of *Compliance and Regulatory Control* qualification****National Certificate in Compliance and Regulatory Control (Parking Enforcement) (Level 3) [Ref: 0464]**

The Local Government Industry Training Organisation has completed the review of the qualification above.

**Date new version published****October 2006**

The next qualification review is planned to take place during 2011.

**Summary of review and consultation process**

Feedback from the industry indicated that two standards in the qualification were creating barriers to people achieving the qualification and that another of the standards was at too low a level to be of use. Feedback also indicated that some standards relating to dealing with other cultures needed to be added.

**Main changes resulting from the review**

The qualification has been restructured into Compulsory, Elective A and Elective B sections, and the content has been updated to meet the needs of the sector.

**Changes to structure and content**

- Standards 1297, 3483, and 11285 have been removed from the qualification
- Standards 1296, 1304, and 9694 have been added to the Compulsory section
- Standard 4244 has been moved from Compulsory to Elective A and standard 8549 has been added
- Standard 11282 has been moved from Compulsory to Elective B and standard 14934 has been added
- The credit total has changed from 63 to a range of 60-65 (depending on the electives chosen).

**Transition**

People currently enrolled in programmes leading to the award of version 1 or 2 of this qualification may either complete that version or transfer to version 3.

The last date for completion of versions 1 or 2 is December 2008.

All new trainees will be enrolled in programmes leading to version 3 of the qualification.

It is intended that no existing candidate be disadvantaged by the changes. Anyone who thinks that they have been disadvantaged by the transition process should contact:
