

FIELD PLANNING AND CONSTRUCTION**Revision of *Specialist Interiors* unit standard 6124**

Subfield	Domain	Id
Construction Trades	Specialist Interiors	6124

The Building and Construction Industry Training Organisation has revised the unit standard above.

Date new version published

April 2007

Planned review date

December 2011

Reason for the revision

An error was found in the range statement for performance criterion 3.1 of this unit standard. It did not match the range statements for the previous two elements. This was an oversight during the review process, and has been altered to be in accordance with the format for other unit standards in the domain.

Main changes resulting from the revision

'Fire stops, seismic breaks, heating panels' has been removed from the range statement, and 'penetrations, curved ceilings' has been added.
