Competenz has completed the review of the unit standards listed above.

Date new versions published

August 2007

Summary of review and consultation process

The unit standards listed have had minimal or no use since they were first registered. There is no evidence of interest in using any of these unit standards in the future. As a result of minimal usage and minimal intent for use, these 26 unit standards were designated category D. The Industry Qualification Advisory Group endorsed the recommendations for these unit standards at meetings held in October 2006 and May 2007.

Main changes resulting from the review

All 26 standards were designated category D, and will expire.

Unit standards categorised as category D expire at the end of December 2009.

Impact on existing provider accreditations

None.

Impact on Accreditation and Moderation Action Plan (AMAP)

None.

Impact on existing qualifications

None.
