The New Zealand Industry Training Organisation has revised and rolled over the unit standards listed in **bold** above. The remaining unit standards have also been rolled over to maintain their currency until they are reviewed.

**Date new versions published**

**January 2007**

**Planned review date**

**December 2011**

**Reason for the revision**

The ITO has revised the unit standards to update legislation and references, make minor editing changes and correct errors.

**Main changes resulting from the revision**

The main changes include:

- Unit standard 17615 has decreased in credit value from 6 to 4.
- Unit standard 17619 increased credit value from 20 to 24.
- The title of unit standard 19336 has been amended.
- All unit standards have had legislation and regulations references in the special notes and in the body of the standard updated.
- The accreditation option has been amended on unit standards 20174 and 20171 to match the Accreditation and Moderation Action Plan [Ref: 0022].

**Impact on existing provider accreditations**

None.

**Impact on Accreditation and Moderation Action Plan (AMAP)**

None.

**Impact on existing qualifications**

None.

**Summary of main changes**All changes are in **bold**.
