

**FIELD                      MANUFACTURING****Revision and rollover of *Printing Production* unit standard**

<b>Subfield</b>	<b>Domain</b>	<b>Id</b>
Printing	Printing Production	2281

The Printing & Allied Industries Training Council (PrintNZ Training) has revised the unit standard listed above. The opportunity was also taken to roll over the unit standard to maintain its currency until a full review can be carried out.

**Date new version published**

**January 2007**

**Planned review date**

**December 2009**

**Reason for the revision**

Unit standard 2281 was revised following unit standard reviews for the different sectors in the printing industry. Changes were made to ensure that it satisfied the requirements of all sectors of the industry. This will eliminate the need to develop similar unit standards for separate sectors of the industry.

**Main changes resulting from the revision**

The changes made were of a general nature and do not impact on assessment requirements.

- Title was changed to remove reference to graphic pre-press industry.
- A new element was added.
- One element was removed.
- Changes were made to some elements and performance criteria.

**Impact on existing qualifications**

Qualifications that contain the revised standards or classifications are tabled below.

<b>Affected</b>	The qualification lists a revised classification (domain or subfield) in an elective set The qualification lists a standard that has changes to level or credits
<b>Not materially affected</b>	The qualification lists a standard that has a new title The qualification lists a standard that has a new classification

The following PrintNZ Training qualifications are not materially affected by the changes. They will be updated when they are next reviewed.
