National Certificate in Pulp and Paper Manufacturing (Tissue Converting) (Level 3)
[Ref: 0651]

National Certificate in Pulp and Paper Manufacturing (Tissue Converting) (Level 4)
[Ref: 0652]

Forest Industries Training and Education Council (FITEC) has completed a revision of the qualifications listed above.

Date new versions published

May 2007

The next qualification review is planned to take place during 2012.

Reason for the revision

These qualifications were revised to update their content, as a result of the replacement of the Total Productive Manufacturing unit standards by the Competitive Manufacturing standards, a review of the Pulp and Paper Manufacturing standards in 2006, and the review of the Management subfield.

Main changes resulting from the revision

The revision incorporates replacements for expiring standards; the updating of Pulp and Paper Manufacturing subfield and domains; the updating of the Management subfield to Business Operations and Development; the inclusion of further electives in the Level 4 qualification Elective List B, previously included in Elective List C.

The qualification titles were updated to reflect the amended classification of unit standards in the compulsory section.
