

FIELD MANUFACTURING**Review of *Meat Industry Generic* unit standard**

Subfield	Domain	Id
Meat Processing	Meat Industry Generic	12626

The New Zealand Industry Training Organisation has completed the review of the unit standard listed above.

Date new version published **November 2007**

Planned review date **December 2012**

Summary of review and consultation process

The Technical Advisory Group reviewed the above unit standard to bring it up to date with the latest industry and legislative requirements. The previous version of the unit standard did not cover all the requirements for verifying Hazard Analysis Critical Control Point (HACCP) plans or their application in the workplace.

Main changes resulting from the review

- Title has been amended.
- Level has increased from 4 to 5.
- Special notes have been amended and expanded.
- Elements and performance criteria have been amended.
- Additional elements have been added.
