The Ministry of Education and the Secondary Assessment and Liaison business unit of NZQA have completed a review of the achievement standards listed above.

New Registration date **November 2007**

Date new versions published **November 2007**

Planned review date **February 2009**

Summary of review and consultation process

This review was a part of a planned review cycle. Feedback was received from the secondary sector and from the moderation and examination systems. National consultation on the achievement standards has resulted in the proposed changes.

Main changes resulting from the review

- Minor changes have been made to clarify wording of some titles and achievement criteria, however the overall outcomes remain the same.
- Changes in titles and achievement criteria have been made for clarification, to remove redundancies, and to align with wording used in reviews of Levels 2 and 3 achievement standards.
- Changes and additions have been made to the explanatory notes provided to define terms.
- References to external examination prescription lists have been removed for internal assessments.
