Revision of *Drama Studies* Level 1 achievement standard 90011

Subfield Drama

Domain	Id	Subject Reference
Drama Studies	90011	Drama 1.6

The Ministry of Education and the Secondary Assessment and Liaison business unit of NZQA have completed a revision of the achievement standard above.

Date new versions published **April 2008**

Planned review date **February 2009**

Reason for the revision

An inconsistency was identified between the title of the achievement standard and the second criterion at all grades. The title, *Describe the techniques, elements, conventions and technologies of drama in a new context and reflect on performance*, referred to 'performance' whereas the second criterion referred to 'a performance'.

The intent was that performance should not necessarily be singular. The criteria have therefore been amended to align with the title.

Main changes resulting from the revision

For all grades, the wording of the second criterion has been changed from 'a performance' to 'performance'.
