### Summary of review and consultation process

The unit standards were due for review. The Casino Cashiering Advisory Group comprised of representatives from casinos of New Zealand, Service Food Workers Union, and SEA-Unite. The aim was to determine and discuss whether existing unit standards were still fit for purpose and to identify any gaps within them.

Drafts of unit standards were circulated to the Casino Cashiering Advisory Group for feedback. All feedback collected was considered and, where appropriate, incorporated into the unit standards. Several drafts were developed in order to accommodate the needs of stakeholders. The Casino Cashiering Advisory Group then endorsed these.
