

FIELD ENGINEERING AND TECHNOLOGY**Review of *Electricity Utilisation* unit standards**

| Subfield | Domain | Id |
|--------------------|-------------------------|--|
| Electricity Supply | Electricity Utilisation | 14193, 14198-14200, 14203-14206, 14208-14215 |

The Electricity Supply Industry Training Organisation has completed the review of the unit standards listed above.

Date new versions published

August 2008

Summary of review and consultation process

A review of these standards was undertaken as part of a regular review cycle. No assessments had been carried out against any of the standards for at least six years, and industry confirmed that it had no need for them. None of the standards were in any qualification. These standards were therefore designated expiring.

Main changes resulting from the review

- Unit standards 14193, 14198-14200, 14203-14206, and 14208-14215 were designated expiring as they covered skills no longer required by industry.

Unit standards categorised as category D expire at the end of December 2008.

Impact on existing qualifications

None.

Review Categories and changes to classification, title, level and credits

All changes are in **bold**.

| Key to review category | |
|-------------------------------|---|
| A | Dates changed, but no other changes are made - the new version of the standard carries the same Id and a new version number |
| B | Changes made, but the overall outcome remains the same - the new version of the standard carries the same Id and a new version number |
| C | Major changes that necessitate the registration of a replacement standard with a new Id |
| D | Standard will expire and not be replaced |

Subfield Electricity Supply
Domain Electricity Utilisation

| Id | Title | Level | Credit | Review Category |
|-----------|---|--------------|---------------|------------------------|
| 14193 | Provide domestic water heating energy utilisation solution | 5 | 10 | D |
| 14198 | Provide commercial and institutional hot water and steam raising energy utilisation solutions | 6 | 15 | D |
| 14199 | Provide commercial and institutional pumping energy utilisation solution | 6 | 15 | D |

| Id | Title | Level | Credit | Review Category |
|-----------|--|--------------|---------------|------------------------|
| 14200 | Provide commercial and institutional motive power energy utilisation solution | 6 | 15 | D |
| 14203 | Provide commercial and institutional drying energy utilisation solution | 6 | 15 | D |
| 14204 | Provide commercial, industrial and rural control and metering energy utilisation solutions | 6 | 10 | D |
| 14205 | Provide commercial and institutional cooling energy utilisation solution | 6 | 15 | D |
| 14206 | Provide commercial and institutional atmosphere conditioning energy utilisation solution | 6 | 15 | D |
| 14208 | Provide industrial and rural hot water and steam raising utilisation solutions | 7 | 20 | D |
| 14209 | Provide industrial and rural pumping energy utilisation solution | 6 | 20 | D |
| 14210 | Provide industrial and rural motive power energy utilisation solution | 6 | 20 | D |
| 14211 | Provide industrial and rural lighting energy utilisation solution | 6 | 20 | D |
| 14212 | Provide industrial and rural heating energy utilisation solution | 7 | 20 | D |
| 14213 | Provide industrial and rural drying energy utilisation solution | 7 | 20 | D |
| 14214 | Provide industrial and rural cooling energy utilisation solution | 6 | 20 | D |
| 14215 | Provide industrial and rural atmosphere conditioning energy utilisation solution | 6 | 20 | D |
