<b>Corrugated Case Converting, Fibreboard Manufacture, Fibreboard Packaging Production, Printing – Screen and Print Industry Management</b>	<b>December 2010</b>

### Reason for the revision

The unit standards listed above were revised, and rolled over to maintain their currency until they are reviewed. The revision was undertaken to reflect the changes made as a result of the review of PrintNZ Training's Accreditation and Moderation Action Plan (AMAP) [Ref: 0005].

### Main changes resulting from the revision

- Accreditation information was changed to match the reviewed AMAP.
- Unit standards 16766, 16767, 16771, and 16772 in the expiring Printing Administration domain were reclassified into the Print Industry Management domain.
- The title of unit standard 16519 was changed to match other similar titles.

## Impact on existing provider accreditations

None.

## Impact on existing qualifications

The following PrintNZ Training qualification is not materially affected by the changes. It will be updated when it is next reviewed.

Qualification title	Standard in the qualification
National Certificate in Printing (Printing – Reel-fed) (Level 4) with strands in Offset, Letterpress, Flexographic, and Gravure [Ref: 0664]	16519
