Revision of *Non Commercial Forestry Skills* unit standard 6917

Subfield	Domain	Id
Forestry Skills	Non Commercial Forestry Skills	6917

Forest Industries Training and Education Council (FITEC) have completed the revision of the unit standard listed above.

Date new version published **December 2008**

Planned review date **December 2013**

Reason for the revision

During the earlier review of unit standard 6917 (May, 2008), the range statements for performance criteria 2.4-2.9 were removed. Feedback from 2008 moderation has since shown that the range statements and a special note referencing the Best Practice Guidelines for Chainsaw Use are needed to ensure consistent assessment. The purpose of this revision is to reinstate the range statement and add the special note.

Main changes resulting from the revision

- Range statements have been added to performance criteria 2.4-2.9.
- A special note referring to the Best Practice Guidelines for Chainsaw Use has been added.
