Summary of review and consultation process

The review process for the standards in the Whakairo Subfield began late in 2005. A working panel consisting of representatives from accredited organisations including Private Training Establishments (PTE), Wananga, Secondary Education and Whakaruruhau met to review the standards. The Whakairo unit standards were also reviewed by the Whakaruruhau at a hui in August 2008, as a continuing part of the MQS review cycle. The unit standards have been used by a number of providers in the tertiary sector.

Standards in the domain Te Ara Taura Whakairo were not included in this review as they are under further development.
