Date new versions published **December 2008**

Planned review date **June 2010**

Reason for the revision and rollover

These unit standards were rolled over to maintain currency pending full review in 2009, and revised to update legislation.

Main changes resulting from the revision

- References to the Building Act 1991 was replaced by the Building Act 2004
- Reference to the Survey Act 1986 was replaced by the Cadastral Survey Act 2002 in unit standard 10925
- References to NZ Standards were updated to the most current versions
- An expiring prerequisite unit standard was removed from unit standard 20745
- Entry information was updated to reflect review of unit standards
- Definitions for terms not used in unit standards were removed from special notes.
