IntraTrain New Zealand has changed the expiry dates of the unit standards listed above.

Date new versions published**February 2008****New expiry date****December 2012****Reason for the rollover**

These standards had all been reviewed as Category C or D in June 2007 and were scheduled to expire on 31 December 2008.

Subsequent to the review of these standards, the qualifications in which they were listed were reviewed. The last date for assessment of the reviewed qualifications is 31 December 2012.
