Revision and rollover of *Seafood Vessel Operations* unit standard 20168

Subfield	Domain	Id
Seafood	Seafood Vessel Operations	20168

The Seafood Industry Training Organisation has revised the standard listed above to maintain its currency until it is reviewed.

Date new version published **July 2008**

Planned review date **December 2013**

Reason for the revision

The standard has been checked for currency of legislation and it was noted that it has not presented any problems for assessors and moderators. The main reason for revising this unit standard was to update the contact email address to admin@seafood.co.nz and to update 'the Maritime Safety Authority' to read 'Maritime New Zealand'.
