

FIELD MANUFACTURING**Review of *General Glass and Glazing* unit standards 19605-19619**

Subfield	Domain	Id
Glass and Glazing	General Glass and Glazing	19605-19619

The Joinery Industry Training Organisation (JITO) has completed the review of the unit standards listed above.

Date new versions published **November 2008**

Planned review date **December 2013**

Summary of review and consultation process

An Advisory Group meeting of industry and provider representatives was held on 20 May 2008 to look at the content of the General Glass and Glazing unit standards and to review feedback received from the assessment and moderation processes. Changes to the unit standards were suggested and these were endorsed by stakeholders in June 2008.

Main changes resulting from the review

- Minor change to title of unit standard 19617.
- Unit standards 19613, 19614, and 19615 have been replaced by unit standard 25397.
- Special notes have been updated.
- Elements and performance criteria have been reworded for clarity.
- Entry requirements have been deleted.

Unit standards categorised as category C expire at the end of December 2009.

Impact on existing provider accreditations

None.

Impact on existing qualifications

Qualifications that contain the reviewed standards or classifications are tabled below.

Affected	The qualification lists a reviewed classification (domain or subfield) in an elective set The qualification lists a standard that has changes to level or credits The qualification lists a C or D category standard
Not materially affected	The qualification lists a standard that has a new title The qualification lists a standard that has a new classification

In the following tables qualifications that contain unit standards and classifications in both categories are identified in the *Affected* table, with the items that generated the *Affected* status in **bold**.

The following Joinery ITO qualification is affected by the outcome of this review and is currently being reviewed or revised to take account of the changes.

Qualification title	Classification or standard in the qualification
National Certificate in Glass and Glazing (Introduction) (Level 2) [Ref: 0997]	19613, 19614, 19615 , 19617

The following Joinery ITO qualification is not materially affected by the changes. It will be updated when it is next reviewed.

Qualification title	Standard in the qualification
National Certificate in Automotive Reglazing (Level 3) [Ref: 1249]	19617

The following qualification is also affected by the outcome of this review. The standard setting body (SSB) has been advised that it requires revision.

Qualification title	Classification or standard in the qualification	SSB Name
National Certificate in Architectural Aluminium Joinery (Assembly and Glazing) (Level 3) with an optional strand in Cutting and Machining [Ref: 0766]	19615	Competenz

Review Categories and changes to classification, title, level, and credits

All changes are in **bold**.

Key to review category	
A	Dates changed, but no other changes are made - the new version of the standard carries the same Id and a new version number
B	Changes made, but the overall outcome remains the same - the new version of the standard carries the same Id and a new version number
C	Major changes that necessitate the registration of a replacement standard with a new Id
D	Standard will expire and not be replaced
