FIELD ENGINEERING AND TECHNOLOGY

Revision and Rollover of *Electricity Supply – Power System Maintenance* unit standards

Subfield	Domain	Id
Electricity Supply	Electricity Supply – Power System Maintenance	6974, 6981, 6983, 10394, 10396, 10399, 10407, 10413, 10419, 10421, 10423

The Electricity Supply Industry Training Organisation has revised and rolled over the unit standards listed above.

Date new versions published **November 2008**

Planned review date **December 2009**

Reason for the revision

These unit standards were rolled over to maintain their currency until they are reviewed. They were also revised to reflect current guidelines and regulations. Future qualifications are planned which may use these standards. If a standard is utilised in one of these future qualifications, it will be fully reviewed then, while standards that are not utilised will be designated expiring.

Main changes resulting from the revision

Special notes updated to reflect current guidelines and legislation.

Impact on existing provider accreditations

None.

Impact on existing qualifications

None.
