Planned review date

December 2010

Reason for the revision

The signmaking unit standards have been revised to take into account a change of standard setting body (SSB) name, and changes to the accreditation information required by changes to Accreditation and Moderation Action Plan (AMAP) 0066. The content of the unit standards is currently under review by the industry.

Main changes resulting from the revision

- The SSB name has been changed.
- Accreditation information has been updated for unit standards at levels 3 and 4.
- Legislation has been updated where required.
- Prerequisite requirements have been removed from entry information.
