NZQA Māori Qualifications Services has completed the review of the unit standards listed above.

**Date new versions published** **January 2009**

**Planned review date** **December 2013**

**Summary of review and consultation process**

These unit standards have been reviewed as part of the Māori Qualifications Review Cycle. Letters indicating our intention to review were sent to stakeholders and Whakaruruhau, however there is currently minimal usage of the standards in this subfield, so feedback was minimal. As a part of the review, the Whakaruruhau is proposing to trial some of the unit standards in this subfield with specific organisations in an attempt to illustrate the value that these unit standards can add to programmes.

**Main changes resulting from the review**

Changes have been minimal and include:

- Changes to titles
- Re-wording of elements
- Adding concepts to range statements
- Adding to special notes
- Updating the comments section of the unit standards where appropriate.

**Unit standard categorised as category D expire at the end of December 2010.**

**Impact on existing provider accreditations**

None.

**Impact on Accreditation and Moderation Action Plan (AMAP)**

AMAP 0091 has been updated to reflect the changes made to the standards.

## Impact on existing qualifications

Qualifications that contain the reviewed standards or classifications are tabled below.
