The Community Support Services Industry Training Organisation has revised the qualification listed above.

**Date new versions published****July 2009**

The next qualification review is planned to take place during 2011.

**Reason for the revision**

The qualification was revised to provide an exemption from standard 23386 for people with credit for standard 5019. Standard 5019 was replaced by standards 23386 and 23387 in October 2007 but providing an exemption from standard 23386 was overlooked when version 1 of the qualification was registered.
