

FIELD BUSINESS**Revision of *Public Sector Services* qualification****National Certificate in Public Sector Services (Leadership Development – Middle Management) (Level 5) [Ref: 1019]**

Learning State has revised the qualification listed above.

Date new version published**June 2009**

The next qualification review is planned to take place during 2010.

Reason for the revision

The revision was carried out to take account of the reviewed *Management – Developing and Coordinating People* standards.

Main changes resulting from the revision

Changes to structure and content

- standard 7452 has been replaced by standard 25463
- the title, classification, and credit value of reviewed standards 8493 and 19588 have been updated
- the classification and level of reviewed standard 8495 has been updated
- the classification of standard 8496 has been updated
- the minimum credits required in the elective section has been reduced from 6 to 3 to maintain the qualification credit total at 85.

Transition

Training programmes for version 3 of the qualification may start as soon as the qualification is registered.

All existing candidates may either complete the requirements for version 2 or transfer to version 3.

The last date for assessments to take place for version 2 of the qualification is December 2012.

The revised qualification contains a standard that replaces an earlier standard. For the purposes of this qualification people who have gained credit for the expiring standard will be exempt from the requirement to gain credit for the replacement standard – see table below.
