Revision of *Community and Social Services*, *Core Generic* unit standards

Subfield	Domain	Id
Community Support	Community Support Services	23380, 23384, 23685
Core Generic	Self Management	1827

The Community Support Services Industry Training Organisation Limited has revised the unit standards listed above.

Date new versions published **March 2009**

Planned review date **unchanged**

Reason for the revision

Feedback from assessors and moderators identified difficulties in assessment of two of the revised unit standards. The other two unit standards required revision to update the accreditation information as result of a review of Accreditation and Moderation Action Plan **(**AMAP) Ref: 0024.

Main changes resulting from the revision

- The accreditation information been updated for unit standards 1827 and 23384.
- In unit standard 23380, reference to document 5a has been removed from performance criteria 2.2 due to difficulties in assessment.
- A range statement in unit standard 23685 which created difficulties for assessors and candidates has been modified.

Impact on existing provider accreditations, AMAP, and existing qualifications

None.
