Reason for the revision

These unit standards have been revised in order to update the accreditation information to match AMAP 0145. The ITO plans to carry out a review of all standards in the Cargo Operations domain in 2010.

Main changes resulting from the revision

- The accreditation statement on the unit standards has been changed from *evaluation of documentation by NZQA* to *evaluation of documentation by NZQA and industry*.
- Revoked regulations have been removed from the legislation special note.
- Special notes have been updated to refer to current codes of practice and standards.
