

Field Engineering and Technology**Revision of *Electrical Machines* unit standard 1184**

Subfield	Domain	ID
Electrical Engineering	Electrical Machines	1184

The ElectroTechnology Industry Training Organisation (ETITO) has completed the revision of the unit standard listed above.

Date new version published

April 2010

Planned review date

December 2012

Summary

During the last review in 2008, off-job training provision was accidentally omitted from special note 1, enabling on-job training but not off-job training. This revision is to reinstate the option of off-job training alongside the on-job training option.

Main changes

Off-job training delivery has been reinstated in Special Note 1.
