Summary

These standards have been rolled over because they were passed their planned review date.

Standards in the *Core Yarn Processing* domain are currently under review, but the review is not yet complete. The standards are required for the revised National Certificate in Textiles Manufacture (Operations) (Level 2) [Ref: 1121], and the revised National Certificate in Textiles Manufacture (Advanced Operations) (Level 3) with strands in Textile Processing and Textile Testing [Ref: 1122].

Standards in the *Non-Woven Textiles Processing* domain will be reviewed as part of a planned review cycle.
