

Field Māori**Rollover of *Te Whakamahi Whenua* unit standards**

Subfield	Domain	ID
Whenua	Te Whakamahi Whenua	16402-16406

NZQA Māori Qualifications Services has rolled over the unit standards listed above to maintain their currency until they are reviewed.

Date new versions published **December 2010**

Planned review date **December 2012**

Summary

Currently all of the other unit standards within the Whenua subfield are in, or have recently completed, the process of review.

The Whakaruruhau have agreed that these unit standards should be rolled over to maintain their currency until they are reviewed in full in 2011.

It is envisaged that with further development and promotion the uptake of these standards will increase.

Main changes

- Planned review date was extended to 31 December 2012.
