

Field Service Sector**Review of *Aviation - Core* unit standards 16818, 19585-19587, 20676, and 20677**

Subfield	Domain	ID
Aviation	Aviation - Core	16818, 19585-19587, 20676, 20677

The Aviation, Tourism and Travel Training Organisation has completed the review of the unit standards listed above.

Date new versions published

February 2010

Planned review date

December 2015

Summary

The Aviation, Tourism and Travel Training Organisation reviewed unit standards listed above in collaboration with an advisory group, consisting of providers. Draft changes were sent out to members for comment and their views were taken into account during the review process.

The review was carried out as part of ATTTO's scheduled review cycle and to ensure that the standards are consistent with industry practice. The review was also aimed at improving the clarity of the standards and removing inconsistencies.

Main changes

- Legislation and regulations in special notes were updated.
- Changes were made to the performance criteria and ranges to clarify the parameters for assessment.
- The credits for standards 19585 and 19587 were increased to better reflect the time taken for training and assessment.
- The credits for standard 20677 were decreased to better reflect the time taken for training and assessment.

Impact on existing accreditations

None.

Impact on Accreditation and Moderation Action Plan (AMAP)

None.

Impact on registered qualifications

Key to type of impact	
Affected	The qualification lists a reviewed classification (domain or subfield) in an elective set The qualification lists a standard that has changes to level or credits The qualification lists a C or D category standard
