

Field Manufacturing**Review of *Pad Printing* unit standard 24995**

Subfield	Domain	ID
Printing	Pad Printing	24995

The Communications and Media Industry Training Organisation has completed the review of the unit standard listed above.

Date new versions published

October 2010

Planned review date

December 2015

Summary

This unit standard was reviewed following reviews of unit standards in the Printing - Sheet-Fed, Printing - Reel-Fed, and Printing - Screen domains. As a result of these reviews a generic unit standard was developed to replace existing unit standard 24995 which covers troubleshooting in pad printing production.

The replacement unit standard is designed to cover troubleshooting and rectifying faults and solving workplace problems for all of the processes involved with the printing production sector.

Category C unit standard 24995 will expire at the end of December 2015
