

## Main changes

- Unit standards 22215 and 22216 have been replaced by unit standards 26776 and 26777 respectively. The replacement unit standards more precisely reflect the industry expectations of an experienced heavy vehicle operator.
- New Unit 26558, *Demonstrate knowledge of health factors affecting the performance of commercial road transport drivers*, has been developed to address the health factors that affect the performance of the drivers of road transport vehicles and the driver self-management of these.
- Explanatory notes have been updated to ensure accuracy of legislation references and to better define technical jargon contained within the unit standards.
- Unit standards 17972 and 18079 have been reviewed to ensure relevance to changing industry conditions.
- Unit standard 17373 has been amended to provide more effective and relevant collection of assessment evidence; the level has increased from 2 to 3 and the credits have increased from 3 to 5 to reflect industry expectations and feedback.
- Outcomes, evidence requirements, and ranges of other unit standards have been amended to reflect changes to legislation, clarify evidence expectations, and for consistency (where appropriate).
- Credit totals for standards 15166 and 22711 and the level of standard 22151 have been increased to reflect industry expectations and feedback.
- The title of standard 15166 has been changed.

## Category C unit standards will expire at the end of December 2012
