Date new versions published

December 2011

Planned review date

December 2015

Summary

The unit standard was registered in November 2010. In preparing resources for users of the standard an ambiguity was noted that would have potentially led to over assessment. The evidence required was clarified by amending range statements and one evidence requirement.

Main changes

- A range statement has been removed from Outcome 1.
- Evidence requirement 1.1 has been amended and a range statement added.
