

Field Law and Security**Review of *Compliance and Regulatory Control* unit standards 4223 and 4244**

Subfield	Domain	ID
Compliance and Law Enforcement	Compliance and Regulatory Control	4223, 4244

The Local Government Industry Training Organisation (LGITO) has completed the review of the unit standards listed above.

Date new versions published

January 2011

Planned review date

December 2015

Summary

The review was instigated at the request of Learning State Limited (Learning State) as they wished to use these unit standards as part of a new suite of Public Sector Compliance qualifications intended for whole-of-government use.

Drafts of the amended unit standards were developed with Learning State and circulated for comment among LGITO stakeholders. The feedback received was processed and the drafts refined accordingly so that both SSBs were able to reach agreement as to the final products.

Main changes

- Wording, content, and structure of the unit standards were updated to reflect current good practice, and to facilitate accessibility of the unit standards in terms of both local government and whole-of-government approaches.
- Title for unit standard 4223 was changed.
- Outcomes 1 and 2 of unit standard 4223 were reworked and combined as Outcome 1.
- Outcome 3 of unit standard 4223 was reworked and is now Outcome 2.
- Outcome 4 of unit standard 4223 was removed in lieu of Unit 19904, *Read and interpret legislation* as recommended for entry.
- Outcomes 1 and 2 of unit standard 4244 were reworked and combined as Outcome 1 to make unit standard 4244 a single outcome unit standard and to simplify assessment evidence gathering.
- Explanatory notes of the unit standards were updated for whole-of-government usage.

Impact on registered qualifications

Key to type of impact	
Affected	The qualification lists a reviewed classification (domain or subfield) in an elective set The qualification lists a standard that has changes to level or credits The qualification lists a C or D category standard
Not materially affected	The qualification lists a standard that has a new title The qualification lists a standard that has a new classification
