Tranzqual ITO has completed the revision of the unit standards listed above.

Date new versions published **January 2011**

Planned review date **December 2012**

Summary

The unit standards were revised to remove the prerequisite to hold a current pilot certificate. The attainment of the standards has been approved by the New Zealand Transport Agency (NZTA) as providing evidence of meeting the training requirements to certify class 1 and class 2 pilots.

Main changes

- Prerequisite: Unit 1768, must hold a current class 2 pilot's certificate was removed.
- Prerequisite: Unit 23892, must hold a current class 1 pilot's certificate was removed.
- Land Transport New Zealand was changed to New Zealand Transport Agency (NZTA).
- Explanatory notes updated to reflect changes in legislation and to indicate attaining the unit standards allows the candidate to apply to NZTA for the appropriate Load Pilot certificate.
