Revision of *Hospitality - Generic* unit standard 17553

Subfield	Domain	ID
Hospitality	Hospitality - Generic	17553

The Hospitality Standards Institute has completed the revision of the unit standard listed above.

Date new version published

21 July 2011

Planned review date

31 December 2014

Summary

This unit standard was revised in order to remove an incorrect reference to the term *food and beverage* so that assessment against the unit standard was not restricted to food and beverage service and could take place in any department of a commercial hospitality business.

Main changes

- The term *food and beverage* was deleted from evidence requirement 1.3.
