The Agriculture Industry Training Organisation has rolled over the unit standards listed above to maintain their currency until they are reviewed. The unit standards in **bold** have also been revised.

**Date new versions published**

**July 2011**

**Planned review date**

**December 2016**

**Reason for the revision**

The revision was undertaken to update references and standards. The planned review date has been aligned with all other unit standards registered in the domain of Water Reticulation.

**Main changes resulting from the revision**

- Publications replaced by Australian and New Zealand Standards have been updated.
- Hyperlinks to available resources have been updated.
