**Revision and Rollover of *Occupational Health and Safety Practice* unit standard**

<b>Subfield</b>	<b>Domain</b>	<b>ID</b>
Occupational Health and Safety	Occupational Health and Safety Practice	18426

The New Zealand Industry Training Organisation has completed the revision of the unit standard listed above.

**Date new versions published**

**June 2011**

**Planned review date**

**December 2016**

**Summary**

This unit standard has been revised to remove the entry information which contained two first aid unit standards that have been replaced and one unit standard that was designated as expiring. As most candidates already have the remaining unit standard 497, this has also been removed and the entry information changed to open. Explanatory notes and ranges have been updated as required for clarity and consistency.

**Main changes**

- Removal of entry information.
- Amendments made to range statements for clarity.

**Detailed list of unit standards – classification, title, level, and credits**

All changes are in **bold**.
