

Field Sciences**Revision and Rollover of *Environmental Education* unit standard 18663**

| Subfield | Domain | ID |
|-----------------|-------------------------|-----------|
| Environment | Environmental Education | 18663 |

Learning State Limited has completed the revision and rollover of the unit standard listed above.

Date new versions published

June 2011

Planned review date

December 2014

Summary

This standard was overdue for review. Learning State consulted with the key users of this unit standard to determine if the standard was still fit for purpose and if a full review was needed. The users all indicated that the standard was still relevant and fit for purpose. It was therefore recommended that necessary changes be made to the standard and that the standard be rolled over until 2014.

Main changes

- The standard has been changed to meet NZQA formatting and template requirements.
- Unused definitions have been removed.
- A spelling error in outcome 2 has been corrected.

Detailed list of unit standards – classification, title, level, and credits

Sciences > Environment > Environmental Education

| ID | Title | Level | Credit |
|-----------|--|--------------|---------------|
| 18663 | Demonstrate knowledge of and apply sustainable environmental management practices in the workplace | 2 | 4 |
