Change of expiry date of *Health Education* unit standard 14235

Subfield	Domain	ID
Health and Physical Education	Health Education	14325

NZQA National Qualifications Services has extended the expiry date of the unit standard above.

Date new version published

March 2011

Summary

In November 2010, this unit standard was designated expiring with an expiry date of 31 December 2011.

This unit standard is used extensively by Te Wānanga o Aotearoa and other providers.

The expiry date was extended to December 2012 to give providers more time to update their programme and course materials.
