

Field Health

Revision of *Pre-Hospital Emergency Care* unit standard

Subfield	Domain	ID
Emergency Services	Pre-Hospital Emergency Care	25411

The ElectroTechnology Industry Training Organisation (ETITO) has completed the revision of the unit standard listed above.

Date new versions published

20 October 2011

Planned review date

31 December 2013

Summary

In response to the uptake of new unit standards in first aid, the pre-requisite entry requirements to Pre-Hospital Emergency Care unit standards were checked and adjusted to that ensure fair and continued entry to assessment is possible.

Main changes

- Unit standard 26551 was included as one of the possible pre-requisite unit standards for unit standard 25411.
- Format was updated to the new template.

Detailed list of unit standards – classification, title, level, and credits

All changes are in **bold**.
