

## FIELD                      SERVICE SECTOR

### Review of *International Air Express* qualification

#### **National Certificate in International Air Express with strands in Customer Service, Ground Operations, and Operations [Ref: 0749]**

The Aviation, Tourism and Travel Training Organisation has completed the review of the qualification listed above.

#### **Summary of review and consultation process**

There are currently no trainees enrolled in the above qualification and has had no use in the last four years.

Feedback and consultation undertaken with the industry confirmed that the qualification was no longer required.

#### **Main changes resulting from the review**

- The qualification has been designated expiring without replacement, and will expire at the end of December 2012 due to the fact that there are no candidates enrolled in this qualification.

## Key to Qualification Review Categories

<b>Category A</b> The qualification is published as a new version with the same NQF ID	Changes are made to SSB name, contact details or purpose statement
	No change is made to title, rules or components of the qualification
	No transition arrangements are required
<b>Category B</b> The qualification is published as a new version with the same NQF ID	Changes are made to title, rules or components
	The new version of the qualification recognises a similar skill set to that recognised by the previous version
	The SSB is confident that people awarded the new or previous version are comparable in terms of competence
	Transition arrangements are required if candidates must gain additional/different credits for the new version
<b>Category C</b> A new (replacement) qualification is published with new NQF ID	Significant changes are made to the qualification in terms of components, structure, type or level
	The SSB views people with the replacement qualification as being significantly different in terms of competence from those with the replaced qualification
	Transition arrangements are required
	Transition may be limited to phase-out dates
<b>Category D</b> Qualification will expire. There is no replacement qualification	Qualification is no longer required by industry
	The qualification is designated as expiring and a last date for meeting the qualification requirements is set
